

NITER LANGUAGE CLUB

Objectives:

- To develop skills in different language
- To create opportunities in job sector
- To make ourselves capable enough for higher studies
- To build a sustainable future career
- To increase confidence in communication

Offers provided from the institution:

- English
- German
- Italy
- Japanese

Plan for English language:

We have planned to continue our learning through a combination of practicing our skills on-

- Listening
- Reading
- Writing
- Speaking

Ice Breaking:

Before starting every weekly session we will arrange some activities to remove our stiffness, anxiety, and fear o increase flexibility, confidence in communication which would be the most important step in learning language e.g.: Mimicry to describe a particular word or sentence, jumble words, jumble sentence, truth and dare, Criticism, competitive game, quiz on movie etc.

Reading:

- Passage
- Article
- News portal
- Book

Writing:

- Free hand on the given passage with a particular sequence or circumstances.
- Write a passage with those jumbled words from the ice breaking part.

Listening & Speaking:

- Giving speech in front of the class on own free hand writing.
- Public speech on given situations or words.
- Extempore speech.
- Dialogue between two on given situation (formal or informal).
- Sharing hobby experience, imagination with the class.
- Review from the audience.
- Discussing common mistakes.

Activities for German language:

We offer German language course level A1, A2, B1 & B2 to prepare students for higher studies in German speaking countries like Germany, Austria, the Netherlands...It facilitates them a very good hope to achieve scholarship pursuing M.Sc. & PhD program. Speaking continue our learning through a combination of practicing our skills on -

- Listening
- Reading
- Writing
- Speaking

Steps for German language:

German language is new to maximum people and its learning process will be continuing level wise following the books named "Netzwerk" and "Tangram Aktuell".

Each session will be based on a chapter where reading, writing, listening and speaking will be focused. Then it will move forward to conversation and making dialogues.

Other activities

Different types of programs like as seminars, debate, etc. are also organized from this club.
