Sustainability is the main buzzword in the modern era. To patch up with globalization, we need to cope up with global arena. So, we need to develop ourselves as well as keep up -to -date with current world on the way of achieving our goals.

**Sumonta Ghosh, Co-convener**

NITER Language CLUB

Language is our primary source of communication. It's the method through which we share our ideas and thoughts with others. To communicate in multiple languages is becoming more and more important in today's integrated global business community. By developing ourselves, we can develop our country. So learning of multiple languages is important to develop global relationships.

**Kazi Musfique Nasif Dibbo, Executive member**

NITER Language CLUB

Language means an access to other societies and cultures, described as intercultural awareness and understanding to related thematic studies comprising various bodies of knowledge and methodological approaches. Language club is a place where we can express our thoughts, information and develop our skill. It also helps to enrich our outside knowledge in the modern world. So language club is so much important.
