Subject: Prayer for allocation of a seat in the student hostel.

Sir

This is my pleasure to inform you that I am a student of Level..... Term.....
I live far away from NITER. It is not convenient for me to come to NITER from my residence.
So, I need a seat in NITER hostel. I am fully aware of the rules and regulations of NITER hostel
and committed to comply with all these rules.

I therefore, pray and hope that you would be kind enough to grant me a seat in the hostel.
