

NITER Girls Hostel Rules & Regulations - 2022

- Hostel seats are allotted to the students based on their academic records and class attendance (she must have 75% class attendance). For the 1st year student, home district and merit list will get preference in the seat allocation process.
- Allotted seat can be cancelled at any time due to academic disqualification and proved anti-disciplinary issues.
- Student will be provided with a cot, fan and tube light, switch boards only.
- Hostel collapsible gate will be closed at 8 pm. Students shall have to inform Hostel Super earlier for the late entrance after 8.00pm.
- Parents or guests are not allowed to enter at the hostel premises as well as students room.
- If the occupant of the room does not reside in the hostel room continuously for more than a month without the prior permission of the Hostel Authority, her room will be considered as vacant and it will be allotted to the needy student, who is in waiting list.
- Student is not expected to change her room without prior permission of the Hostel Authority. Students will have to vacate the rooms immediately within 2-7 days after their final academic examination is over.
- The students must have to write the entry/leaving updates on the security check post register book while entrance /leaving on vacation or weekends.
- Students should not play record or any other musical instruments while disturbing others in the hostel premises.
- The students are instructed not to keep valuable articles or cash in their rooms. If they do so it will be entirely at their own risk. They are further advised to lock their room with sturdy locks even if they leave the room for any reason. In case of any untoward happening such as theft, cheating accident, sudden sickness etc. student should immediately report to the hostel authority.
- Students shall jointly and/or as a whole be responsible for any loss/damage of the hostel building, furniture, electrical & sanitary fittings, cookers and any other equipment in the hostel premises.
- Water and electricity should be used economically. Uses of electrical appliances such as heater rod, hot plates, electric iron, radio receiver etc are strictly prohibited. If the students are found using such appliances their appliance will be seized. Besides they can also be liable for dismissal from the hostel.
- Students are instructed to maintain health hygiene strictly. Students suffering from bodily disorder, injury or sickness should immediately report the matter to the Hostel Authority and seek help from the residential Medical Officer; however students wishing to be treated other than authorized hospital may do so by proper procedure.
- Students shall behave politely and properly with the Hostel Authority and staff members of the hostel.
- Students hostel allotment will be automatically terminated after the four-year graduation completion. In case of academic gap, it can only be extended for one year as well.
- Ragging, grouping, political activities, and smoking is strictly prohibited and also considered as violation of rules and regulations at both the hostel and campus premises. Instant measures will be taken against the offender without any leniency.
